Teacher Notes

Halloween Parties: The Halloween Parade will be at 1:45 on the playground, followed by the parties at 2:15. I hope that you will be able to join us.

Please send costumes in a bag, as we will not be allowed to dress until after lunch. If you have not yet sent in a couple of dollars for pizza, I would appreciate it. It will help to get something warm in their tummies before trick or treating. ☺ . Thanks!

We met goal again this and are back on track. Thanks for understanding about taking the test on Monday. We had a great time on the field trip, but were not able to get in the spelling test before we left. The kids did great! The scores for last week were as follows:

- | | |
|---|---------------------------|
| Above 100% = 8 students - Awesome! | |
| 100% = 2 students | 85% = 0 students |
| 95% = 1 student | 80% = 2 students |
| 90% = 5 students | Below = 2 students |

Special Person of the Week!

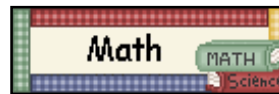

Aiden!

Aiden is a second grader and his favorite subject in school is writing. He likes to color in his spare time, and wants to be an army guy like his grandpa when he grows up. His two buddies, Cody & Jordan say "Aiden is a great friend who always keeps an eye out for people who are hurt. He takes good care of everyone and never gives up!" He's a great kid!

We have started a new schedule and groups in reading and it is working well. Guided reading books will begin coming home on Mondays. Please reread with your child whenever you get a chance. I'll be able to explain more at individual conferences. This week, we are working on fantasy fiction, and writing complete sentence answers to questions.

This week, we will work on subtraction for both first graders and second graders. We will be learning new vocabulary for the different numbers used in a subtraction problem. Please check your new learner out (after Halloween as we have been quite crazy here in the afternoons). Thanks for your help!
