Teacher Notes

Parent-Teacher Conferences: Thank you so much for attending conferences. Communication between school and home is so important to your child's success and I appreciate your participation. If you have any further questions or concerns, please be sure to call at school or send me an email. Thanks so much!

Picture retakes: Picture retakes will be tomorrow morning for those students who were absent or need a new picture. Bring a smile! ☺

I am so proud of the students who made goal again this week. We had fantastic results! This week, we will

learn another form of the "oo" sound. The scores for last week were as follows:

Above 100% = 11 students - Unbelievable!

100% = 2 students 85% = 0 students
 95% = 4 students 80% = 0 students
 90% = 4 students Below = 2 students

Special Person of the Week!

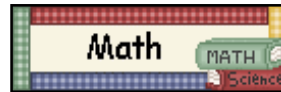

Eli!

Eli is a second grader and his favorite subject in school is reading. He likes to draw in his spare time, and wants to be a football player when he grows up. His two buddies, Jordan & Eric say "Eli writes really good and he knows a lot about science. He's also interested in football. He's a good friend!" I agree!

Our new schedule is going well and I am very pleased with the groups and their reading. Until the end of the month, we will be studying Native Americans and learning about legends. Because our focus for second grade is writing, I am looking forward to some great legends written by our own Native Writers. If your child has a five a day book baggie, please be sure that they read every night! Thanks!

After focusing on greater than and less than, we will be using this knowledge to solve subtraction problems. We will also be working on problem solving with graphs and charts. First grade students should be working on subtraction problems at home as often as possible. Thanks for all of your help!

Everyday: Read, read, read!

Monday: Write spelling words in planner

Tuesday: Math worksheet

Wednesday: Math worksheet

Thursday: Spelling worksheet

Grandma Update: I just wanted you to know that I may be gone one day this week to meet my first grandbaby that will be born sometime this week. I'll let you know next week! ☺

Have a great week!

Important Dates Coming Up:

- November 13th: Picture retakes
- November 14th: Donuts for Dads
- November 30th: All School Field Trip
- December 3rd: Holiday Program at Glenview
